

<b>TEST CASE ID</b>	<b>TEST STEPS</b>	<b>EXPECTED RESULT</b>
1.	Launch application.	The Atlas quiz splash screen appears while the app is launching, then it transitions to the home screen after a successful launch.
2.	Click the read quiz rules link to read the quiz rules and then click back arrow/button when done.	The quiz rules screen is opened. When the back arrow/button is clicked the app returns to the home screen.
3.	Click the badges of honor link/button to view achievable rewards and then click back arrow/button when done.	The badges of honor screen is opened. When the back arrow/button is clicked the app returns to the home screen.
4.	Click the start quiz link/button to begin the quiz.	The quiz screen is opened and the 1 <sup>st</sup> question of the quiz is displayed, with multiple choice options to select from, and the 15 second time limit count down begins.
5.	Select the right answer to a question.	The selected option's background turns to green whilst showing the "correct" text and emoji. The score of correct answers on the top left is increased by one. The next button appears at the bottom.
6.	Select the wrong answer to a question.	The selected option's background turns to red whilst showing the "wrong" text and emoji. At the same time the correct option's background turns to green whilst showing "is the correct answer" text. The wrong answers (strikes) count on the top right is increased by one. The next button appears at the bottom.
7.	Leave a displayed question unanswered until the 15 second time limit runs down.	The "time up" text appears next to the clock emoji. The wrong answers (strikes) count on the top right is increased by one. The next button appears at the bottom.
8.	Answer wrongly five quiz questions before reaching the last (40 <sup>th</sup> ) quiz question.	On the 5 <sup>th</sup> strike (wrong answer) the quiz ends and the user's performance/assessment is displayed.
9.	Answer correctly at least 10 quiz questions before the 5 <sup>th</sup> strike / wrong answer.	When the quiz ends, the user is rewarded with an Atlas scholar badge.
10.	Answer correctly at least 20 quiz questions before the 5 <sup>th</sup> strike / wrong answer.	When the quiz ends, the user is rewarded with an Atlas Pro badge.
11.	Answer correctly at least 30 quiz questions before the 5 <sup>th</sup> strike / wrong answer.	When the quiz ends, the user is rewarded with an Atlas Master badge.

12.	Answer correctly all 40 quiz questions without giving any wrong answer.	When the quiz ends, the user is rewarded with an Atlas God badge.
